CONVEYORS

X'Press-U-Veyor

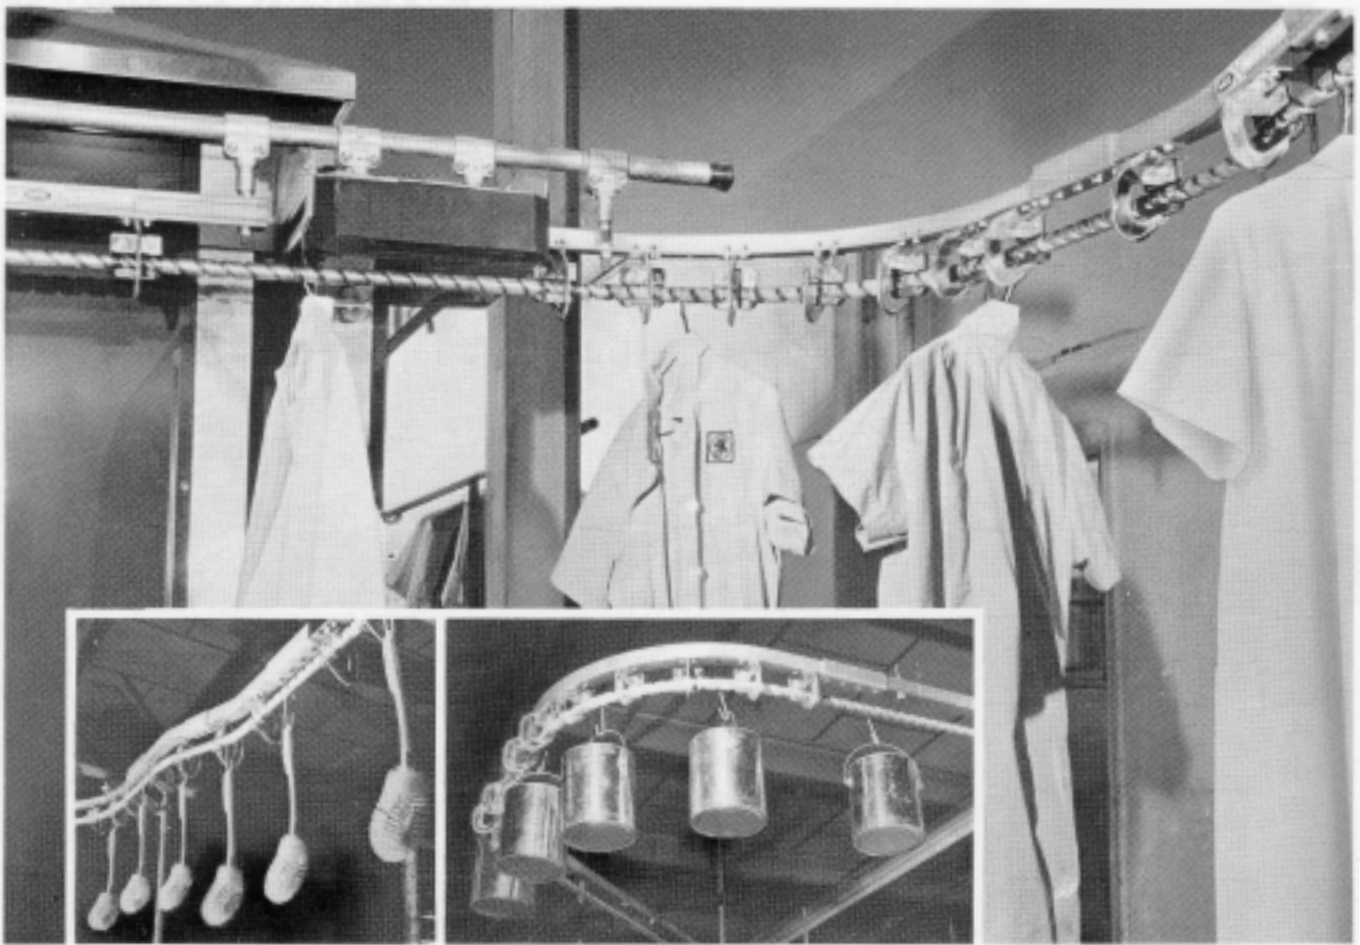

- Light Duty Overhead Monorail
- Single Direction...No Return Loop Needed
- Practical...Economical...Durable

X'PRESS-U-VEYOR, White's high value, spiral track monorail is the simplest, most cost-efficient way to move items through any plant. Flexible vertical & horizontal bend sections let the X-U-V path follow your design needs. Spiral groove track moves items smoothly, quickly, quietly; with loading at any point in the system.

X'PRESS-U-VEYOR

**moves lightweight items through your plant...
Saving Steps...Saving Labor...Saving Money.**

X'Press-U-Veyor Component Features
