# Huebsch

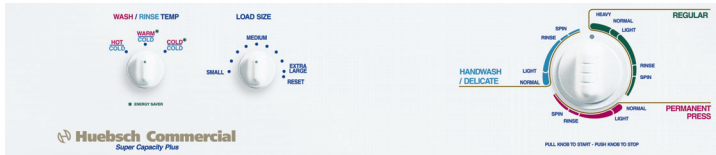

Commercial Homestyle  
Topload Washer

*A Classic Laundry Solution*

# Commercial Homestyle Topload Washer Specifications

## Control Panel Features

- Seven cycle selections
- Variable rotary water level control
- Four wash/rinse temperatures

## Key Product Features

- **Automatic Balancing System (ABS)** with rear self-leveling legs maximizes smooth and quiet operation on all floor types. High-speed extract of 710 RPM maximizes moisture removal for fast drying and lower dryer energy use.
- **Commercial quality transmission** is of the highest quality with results proven in our rugged commercial models.
- **Large porcelain washtub** provides resistance to chipping and scratching.
- **Extra-large lid opening** for easy loading and unloading.
- **Front serviceability** allows simple removal of front panel or control hood on both washer and dryer. This provides easy access for servicing from installed position.

## Attractive Control Panel

Commercial homestyle topload washers have attractive styling to match electric or gas dryer.

Model	LWZ02
Speeds	1
Cycles	7
Regular	Heavy, Normal, Light
