# Commercial Homestyle Frontload Washer Specifications

## Control Panel Features

- Five cycle selections
- Four wash/rinse temperatures

## Key Product Features

- **Exclusive inner and outer stainless steel washtub**  
Lifetime warranty.
- **Extra-large capacity 2.84 cu. ft.**
- **Superior wash system**  
Reversing wash action with two wash speeds and three spin speeds. Exclusive 4,912 perforated washtub holes. Three large tub baffles to maximize clothes turn.
- **Large door opening with see-through glass**  
The door handle is located at the 11:00 position, for easy opening. The door swings 180° to accommodate user friendly loading.
- **Frontmount supply dispenser**  
Automatically adds detergent, liquid bleach and liquid softener.
- **High-speed extract**  
Huebsch frontloading washer features a 1,000 RPM spin speed for maximum water removal from clothes. This means faster drying and lower dryer energy use.
- **Attractive control panel**  
Commercial homestyle frontload washers have attractive styling to match electric or gas dryers.
- **Energy efficient**  
Our frontload washer uses only 13.9 gallons of water, reducing total water consumption compared to a topload washer. It also uses less hot water, averaging 1.74 gallons of hot water per load.

Model	LTZAO
