

### ESD economy sliding drawer

Available in 2, 3 or 4 space versions. Fully enclosed construction is of 16-gauge steel with a black semi-gloss finish. New 12" cabinet grade slides allow for full extension. Perfect for anything from pencils, papers and strings to cassettes, cd's and tools. Installed lock is optional.

Model	Overall Height (A)	Overall Depth (B)	Usable Width (C)	Usable Depth (D)
ESD-2	3-1/2"	13"	15-7/8"	11-7/8"
ESD-3	5-1/4"	13"	15-7/8"	11-7/8"
ESD-4	7"	13"	15-7/8"	11-7/8"

Our rackmount drawers now feature a knockout on the front panel for adding a key lock at any time, as well as a knockouts in the rear for cable passage should you want to store an electronic device in the drawer. In addition, all of our drawers feature a fully welded drawer body for maximum strength and stability.
