

ELITE RACKS & STANDS

ERK elite rack

The Elite Series of fine audio racks are of knock down construction using the highest grade of fused 3/4" melamine. They come equipped with 11-gauge steel rack rail and the finest knockdown furniture hardware available. The ERK has a depth of 20" to accommodate all gear options. Attractive plexi front doors and solid melamine rear door are now offered as options. Available in ebony fleck and maple. Furniture grade casters are standard on 12 spaces and larger.

ESS elite speaker stands

Elite speaker stands are sure to compliment the aesthetics of any room or studio. They are attractively constructed from fused melamine. The stands are 42" tall and both the speaker platform and base are 14" square. Dual cable management ducts run the length of the front and rear of the stands, with contrasting silver trim covers. Matching silver trim surrounds the edges of the top and base. These stands are sold in pairs, shipped knocked down and are easily assembled. Instructions included. Available in ebony fleck (ESS-42BSL) or maple (ESS-42MSL).

Model	Racking Height	Depth (Top)	Depth	Width	Height	Height w/casters
ERK-4-16	7" 4 spaces		16"	20.625"	9"	11.875"
ERK-8-20	14" 8 spaces		20"	20.625"	16.875"	19.75"
ERK-12-20	21" 12 spaces		20"	20.625"	23.875"	26.75"
ERK-16-20	28" 16 spaces		20"	20.625"	30.875"	33.75"
ERK-16-20SL	28" 16 spaces	16.75"	20"	20.625"	33.25"	36.125"

ECRR-16-20CH or WT	28" 16 spaces	20"	20-5/8"	33"
ECRR-20-20CH or WT	35" 20 spaces	20"	20-5/8"	40"

ECRR elite converta rack racks

The Cherry or Walnut Elite Racks are the ideal solution for expanding any previous ECR installation, or when you just need great looks and security in a rack. The ECRR racks feature the same cherry or walnut finish and brass-plated hardware. Features include a locking smoked-plexi front door, locking solid rear door and casters. The 20" depth allows for extra deep equipment and plenty of room for cable management. Available in 12, 16 and 20 rack spaces. Assembly required.
