

# SEWN TOOL CASES

## Tool Bags

### Mechanic's Tool Bag

This handy "Mechanic's Tool Bag" is similar to the GI tool bag used for decades by the U.S. Military. Our water-repellent nylon fabric makes it much more durable and with 8 sewn-in pockets on the inside and 2 divided snap pouches on the outside, this compact utility bag will keep your smaller tools and parts organized.

Platt#	Outside Dim.			Colors
	L	W	D
