

Custom Sewn Cases

The design options are almost unlimited. In addition to soft-sewn cases, we produce pouches, pockets, padded cases, foam-filled soft cases, plus numerous other workplace styles.

We work primarily with nylon, 600d polyester, and coated vinyl, but other materials are available in a wide range of colors, depending on your application and your preference.

Contact Platt's Engineering Department at (800) 222-1555 to discuss your particular application.

Custom Molded Cases

The design options are almost unlimited. Platt can do standard cases with custom foam, custom molded cases with your choice of hardware, custom logos, doors, handles, wheels, etc. Platt can also do custom tooling to make your case totally unique.

Contact Platt's Engineering Department at (800) 222-1555 to discuss your particular needs and details.
