R11 - Hypercardioid Neodymium Vocal Microphone

Offered in a convenient and cost-effective "three-pack," the versatile R11 gives you enough output and reliable performance for any kind of application along with great sound, low noise and convenient features like an easily accessible on/off switch.

- Hypercardioid polar pattern
- Neodymium mic element for increased output in high SPL situations
- Transformerless design with low impedance voice coil for extended bass response and minimal distortion
- External on/off switch
- Rugged metal die-cast case and steel mesh windscreen
