1800

Using 3/4" Composite Plywood and Baltic Birch and choice components, the new Professional Series cabinets were designed from the ground up to be the premier bass cabinets of the Hartke line.

These rock-solid cabinets feature recessed flush mounted spring handles and removable wheels for moving (and tilting back) and a sturdy input cup with 1/4 inch and Speakon® connectors.

The 1800 Professional Series 18" Low End System provides extended high power low end to any full range cabinet. A perfect compliment to the 4200 Professional Series Cabinet, the 4.5XL Series and the Classic 410XL.
