C01 - Large Diaphragm Condenser Microphone

Great for recording vocals, acoustic instruments and for use as overhead drum mics, the new Samson C01 large diaphragm condenser microphone is accurate, detailed, smooth with warm bass and extended top end. This sturdy microphone has a large 19mm diaphragm that produces a smooth flat frequency response. It features a heavy gauge mesh grill screen, a gold plated XLR connector and an LED indicating 48V phantom power. The unit includes a swivel stand mount and an optional SP01 shock mount is available.
