

## F Crimp Connectors

Commercial Grade F Drop Connectors Suitable for Coaxial Broadband Networks  
 Used in Video, Data and Telephony Applications  
 Reliable easy-crimp annealed-brass construction prevents rupturing or cracking  
 Anti-Corrosion Bright Acid Tin or Nickel Plating

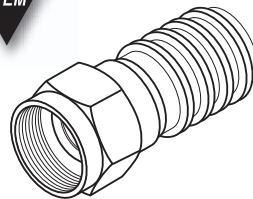

**200-022** RG11

**Termination Tools**  
 Crimp Termination Tool: 204-009

**200-023** RG59 Universal Regular, Tri-Shield  
**200-024** RG6 Universal Regular, Tri-Shield

**Termination Tools**  
 Coaxial Cable Strippers:  
 204-200, 204-202, 204-205, 200-350  
 Crimp Termination Tool: 204-009

**200-026** RG59 Universal Regular, Tri-Shield  
**200-027** RG6 Universal Regular, Tri-Shield  
**200-033** RG6 Quad-Shield  
**200-034** RG6 Plenum

**Termination Tools**  
 Coaxial Cable Strippers:  
 204-200, 204-202, 204-205  
 Crimp Termination Tool: 204-009

**200-022** F Crimp RG11 Connector  
 One-Piece Attached Crimp Ring  
 Bright Acid Tin-Plated Brass  
 Suitable for Use with RG11 Coaxial Cable

**200-023** F Weatherproof Hex-Universal for RG59  
 Use with standard or tri-shield cable  
 Annealed Brass 3-Piece Construction  
 One-Piece 1/2" Attached Crimp Ring  
 Bright Acid Tin-Plated Finish  
 Internal Neoprene O-Ring Water Seal  
 Machined Hex-Shaped Crimp Barrel  
 Circular moisture-seal to cable-jacket eliminates moisture penetration of traditional hex-crimped connectors

**200-024** F Weatherproof Hex-Universal for RG6  
 Use with standard or tri-shield cable  
 Annealed Brass 3-piece Construction  
 One-Piece 1/2" Attached Crimp Ring  
 Bright Acid Tin-Plated Finish  
 Internal Neoprene O-Ring Water Seal  
 Machined Hex-Shaped Crimp Barrel  
 Circular moisture-seal to cable-jacket eliminates moisture penetration of traditional hex-crimped connectors

**NEW ▶ 200-026** F Crimp Universal RG59 Connector  
 Use with standard or tri-shield cable  
 Annealed Brass 3-Piece Construction  
 Anti-Corrosion Nickel-Plated Finish

**NEW ▶ 200-027** F Crimp Universal RG6 Connector  
 Use with standard or tri-shield cable  
 Annealed Brass 3-Piece Construction  
 Anti-Corrosion Nickel-Plated Finish

**NEW ▶ 200-033** F Crimp RG6-Quad Connector  
 Use with quad-shield cable  
 Annealed Brass 1-Piece Construction  
 Anti-Corrosion Nickel-Plated Finish

**NEW ▶ 200-034** F Crimp RG6-Plenum Connector  
 Use with plenum cable  
 Annealed Brass 1-Piece Construction  
 Anti-Corrosion Nickel-Plated Finish
