## F TaperSeal™ Connectors

Commercial Grade Compresssion Connectors
Suitable for Coaxial Broadband Networks Used in
Video, Data and Telephony Applications with
Standard Shield Cable Types
High-Radiation Leakage Reduction
Conical Tapered Swedge Termination
Precision Machined Annealed-Brass Construction
Anti-Corrosion Bright-Acid Tin Plated
Internal Neoprone O-Ring Weather Sealed
$7/16''$ Hex 4.3mm Wide Heavy Duty Easy-Grip Nut

200-017 F TaperSeal™ RG59 Universal Plug

200-029 F TaperSeal™ RG6 Universal Plug
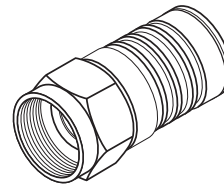

F FastConnect™ Connectors

Quick One-Step Push-On Installation Connectors
Provides clean tool-less installation
Suitable for Coaxial Broadband Networks Used in
Video, Data and Telephony Applications
Precision-Machined Annealed Brass Construction
One-Piece Internal Construction
Anti-Corrosion Nickel-Plated Finish
Used with Multiple Cable Braid and
Shield Types RG59 or RG6 Standard
Internal Neoprene O-Ring Weather Sealed
$7/16''$ Hex 5.4mm Wide Heavy Duty Easy-Grip Nut

200-048 F FastConnect™ RG59 Universal
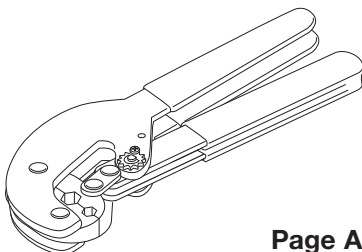

200-049 F FastConnect™ RG6 Universal

Terminated

Conical Tapered Compression

200-017 TaperSeal™ RG59
200-029 TaperSeal™ RG6

*Clean, Tool-less Installation
Quick-Push-On Mechanism*

200-048 FastConnect™ RG59
**200-049** FastConnect™ RG6
