FastHome™ Network Enclosures

Fast Media Home Network Systems Enclosures
Fully integrate, manage and distribute broadband and multimedia services on a flexible and customizable platform
Provide secure and reliable control center for voice, video, data and audio connections
White Textured Powder-Coated Corrosion-Resistant Finish
18-Gauge Cold Rolled Steel Durable Construction for Strength and RFI Interference Protection
For Mounting on Wall (Surface Mount) or Between 16″ Center Wall Studs (Flush Mount)
Flush-Mount Enclosures feature convenient decorator AC receptacle knockout holes
Multiple knock-outs and pre-punched holes fit tie wraps, screws and wire bundles
Raised mounting rails create a clean wiring channel behind mounted modules
Captured Hinge Cover Design for Easy Access
Keyed Latch for Positive Closure and Security
Customizable for Expansions and Upgrades
