

LECTRIC II

Ceiling Flush Mount with Trap Door / Supported Fabrics

The Lectric II is Vutec's motorized ceiling screen for flush mount applications and designed for use with self-supported fabrics. Its design facilitates additional leader lengths for larger sizes of 200" and up. The Lectric II is ideal for large theater, auditoriums, conference rooms and houses of worship.

Features

- MDF housing with standard black paint grade finish
- Quiet motor-in-roller
- Rigid ribbed aluminum roller featuring Vutec's FRS™ (Fabric Relief Step)
- Standard 12" black leader
- Interfaces with low voltage relays, IR and RF remote controls
- Sizes above 144" in viewing width without trapdoor.

Options

- White or black aluminum ceiling trim kit
- White or black mica finish
- Service door only
- Custom sizes
- Additional leader or perforated leader
