Patriot Motorized Flag

DRAPER's newest gym equipment product makes a dramatic presentation of the United States flag in any gymnasium. "Old Glory" appears at the touch of a switch or wireless transmitter. Standard product includes a sewn, nylon flag. Options include state flags or school banners, provided by customer.

The PATRIOT can display a flag either vertically or horizontally. Flag measures 12' x 18' with both mountings. The vertical or banner flag is housed in a 12' case, and the horizontal flag is housed in a 20' case.
