Coaxial Products

Coaxial CCTV-Cam Cable

RG59 Coaxial Cable with 2-Conductor Power-Limited Cable
 Suitable for CCTV Installations
 20 AWG Solid Copper Center Conductor
 Gas Injected Polyethylene Dielectric
 Copper Braid Shield, 95% Coverage
 2-Conductor 18 AWG Stranded Copper
 Flame Retardant PVC Insulation and Outer Jackets
 Impedance 75 Ohms
 UL Listed – NEC Type CM, CL3

200-915BK 500' RG59 Coaxial CCTV-Cam Cable, Black – Spool

200-915WH 500' RG59 Coaxial CCTV-Cam Cable, White – Spool

200-915BK RG59 Camera Black

200-915WH RG59 Camera White

BNC Connector Crimp Kit

75 Ohm BNC Crimp Kit
 Nickel-Plated Connector Bodies, Ferrules and Washers
 Delrin Dielectric
 Gold Plated Center Contacts
 Includes RG58/RG59P, RG59/RG6P and RG6/RG8X ferrules

200-123 75 Ohm BNC Male with 3 Ferrules

200-124 75 Ohm BNC Female with 3 Ferrules

200-123 BNC Female

200-124 BNC Male

Thread Protectors

Environmentally seals F-ports to F-connectors with coaxial cable
 Compresses to form seal when F-connectors are tightened onto 3/8" threaded ports

200-958BK Thread Protector, 0.25" long

200-959BK Thread Protector, 0.41" long

200-958BK 0.25"

200-959BK 0.41"

Compression Termination Tool

Professional Watertight Termination of Steren PermaSeal™ F, RCA, and BNC Connectors for Series 59, 6, 11 Coaxial Cables
 Smooth One-Cycle Full Ratchet Mechanism
 Ratchet Release Lever
 Rugged Hardened Carbon Steel Construction, Black-Oxide Finish
 Yellow/Black Rubberized Grip Handles for Reduced Fatigue
 Built-in Cable Cutter
 Includes interchangeable F, RCA, and BNC dies

204-036 Universal Compression Tool

204-034 3-Piece Die Set for 204-036

204-036 F, BNC, RCA, RG59, RG6 Tool

204-034 F, BNC, RCA Die Set
