

Gasoline-powered, Diesel / Oil heated

**PGHW:** Classic model featuring heavy-duty ruggedness within a compact frame design

PGHW5-50524E  
with 5000 PSI

PGHW  
All other models

As Landa's most popular gasoline-powered, industrial hot water pressure washer, the PGHW combines a smaller size with the ruggedness you've come to expect from Landa.

It is loaded with many of the same features of the larger-size skid models such as 1 1/4-inch square steel frame, long-life, belt-drive Landa Pump 7-year warranty and Schedule 80 Duracoil backed by a 5-year warranty and wrapped in an aluminized steel covering for optimum heating efficiency.

The biggest PGHW is powered by a 27 HP, water-cooled Kawasaki engine and delivers cleaning power of up to 5 GPM and 5000 PSI.

- **Pump:** Landa Pump, belt-drive, industrial grade
- **Engine:** 13 - 27 HP Honda, Vanguard or Kawasaki

Features	Standard	Optional	N/A
SS Variable Pressure Wand	●		
Vibration Isolated Engine	●		
Stainless Steel Coil Wrap	●		
Adjustable Thermostat	●		
Wet Steam Combination	●		
2000W Winco Generator	●		
Float Tank with Metering Valve	●		

Part No.	GPM	PSI	Pump RPM	HP	Engine	Start

PGHW4-40324E	4.0	4000	1425	20	Honda	Electric
PGHW5-50524E	5.0	5000	1585	27	Kawasaki	Electric

Available option: Wheel kit with four pneumatic tires

Gasoline-powered, Diesel / Oil heated

**PGDC:** Affordable alternative design with belt-drive Landa pump and 12V DC burner

The PGDC provides an economical alternative to the skid family without sacrificing ruggedness. Powered by electric-start Honda or Vanguard engines the PGDC is also protected by a 1 1/4-inch square steel frame, and has a 7-year warranty, belt-drive Landa Pump and Schedule 80 Duracoil backed by a 5-year warranty with an aluminized steel covering. The water is heated by a high-efficiency 12V burner assembly (*battery not included.*)

- **Pump:** Landa Pump, belt-drive, industrial
- **Engine:** 13 - 20 HP Honda or Vanguard

Available options: Wheel kit (4 pneumatic tires), stainless steel coil wrap, float tank and inlet detergent metering valve

Gasoline-powered, Diesel / Oil heated

**MHP:** Economy mini-skid with extra narrow frame, belt-drive pump and 12V DC burner

The MHP is an economy mini-skid, hot-water pressure washer with an extra narrow frame for maneuvering through doorways. Less than 25-inches in width, the MHP models is also powered by electric-start Honda or Vanguard engines. The narrow-frame chassis is made of rugged 1 1/4-inch steel and the Schedule 80 heating coil is backed by a 5-year warranty and protected by an aluminized steel inner wrap. The MHP also utilizes a 12V burner assembly for heating water (*battery not included.*)

- **Pump:** Landa Pump, belt-drive, Industrial
- **Engine:** 11 - 20 HP Honda or Vanguard
