

PRESSURE WASHERS

Hot Water Portable

Electric-powered, Diesel / Oil-heated

PHWS: Top-of-the-line, industrial-duty hot water pressure washer built to work day-and-night

7

For a quarter of a century, the PHWS has been customers' preferred choice for electric-powered, hot-water pressure washers. Engineered with the highest quality components and a flurry of innovations that have revolutionized the market, the PHWS is legend for its ruggedness and reliability.

The PHWS features a super-efficient, horizontal, Schedule 80 heating coil; long-life, low-RPM, belt-drive Landa Pump; aluminized steel inner coil wrap with high temperature tolerance; detergent metering valve; adjustable thermostat; time delay shutdown; and magnetic starter.

• 7-Year Warranty - Landa Pump

- **Pump:** Landa Pump, belt-drive, industrial grade
- **Hose:** 50'; 2-Wire Tuff-Skin, rated for 6000 PSI

Features	Standard	Optional
SS Variable Pressure Wand	●	
ETL Certification to UL-1776	●	
Stainless Steel Coil Wrap	●	
Time-Delay Shutdown	●	
Wet Steam Combination	●	
Mag Wheels	●	
Float Tank with Metering Valve	●	

Part No.	GPM	PSI	Pump RPM	HP	Voltage	Amps
PHWS3-11024D	2.5	1000	1075	2	120 1ph	20
PHWS4-20024A	4.2	2000	935	6.2	230 1ph*	29
PHWS4-30024A	3.9	3000	735	8.2	230 1ph*	38
PHWS5-30024B	4.8	3000	1035	10	230 3ph*	34

*Models available in other electrical configurations.

Available options: Automatic start/stop

Electric-powered, Diesel / Oil-heated

OHW: Affordable alternative pressure washer for heavy-duty usage

7

The OHW is an affordable option for outdoor, heavy-duty, hot-water pressure washing. Designed with some features as the PHWS, such as the Schedule 80 horizontal heating coil, backed by Landa's standard 5-year warranty and heat-efficient aluminized steel inner coil wrap.

Like the PHWS, the OHW gets its cleaning punch from an industrial, belt-drive Landa pump, industrial-grade Baldor motor and energy-efficient burner with dial-in air metering. The 3-phase models have a magnetic starter.

• 7-Year Warranty - Landa Pump

- **Pump:** Landa Pump, belt-drive, industrial grade
- **Hose:** 50'; 1-Wire Tuff-Skin, rated for 3000 PSI

Available options: Automatic start/stop or time delay shutdown, mag wheels, stainless steel outer coil wrap.

Electric-powered, Diesel / Oil heated

HOT: Most economical hot water pressure washer for medium-duty usage

7

The HOT pressure washer offers the most economical choice in a horizontal coil design with many of the features that have made Landa pressure washers the most reliable and popular on the market.

The HOT also has a belt-drive, Landa pump, a Duracoil with aluminized steel inner wrap, plated steel variable pressure wand and tubed pneumatic tires for easy maneuvering in all terrain.

The HOT3-30034D delivers steam up to 310°F.

• 7-Year Warranty - Landa Pump

- **Pump:** Landa Pump, belt-drive, heavy duty grade
- **Hose:** 50'; 1-Wire Tuff-Skin, rated for 3000 PSI
