

FUNC FLATSCREEN CH VST

As free as a bird.

The Func Flatscreen CH VST is a single solution that addresses several demands. It can carry screens up to 75 kg, it can be used to tilt your screen and it can also swivel the screen through 360 degrees. The length of the pillar is also adjustable. The Func Flatscreen CH VST is a reliable solution when you want your big screen to feel free up there.

New!

The adapterplate has a new design, which is easier and more user friendly. The new Func Flatscreen Unislide is included in the bracket.
