

Utility Presses

45X

All Purpose Utility Dry Cleaning Press

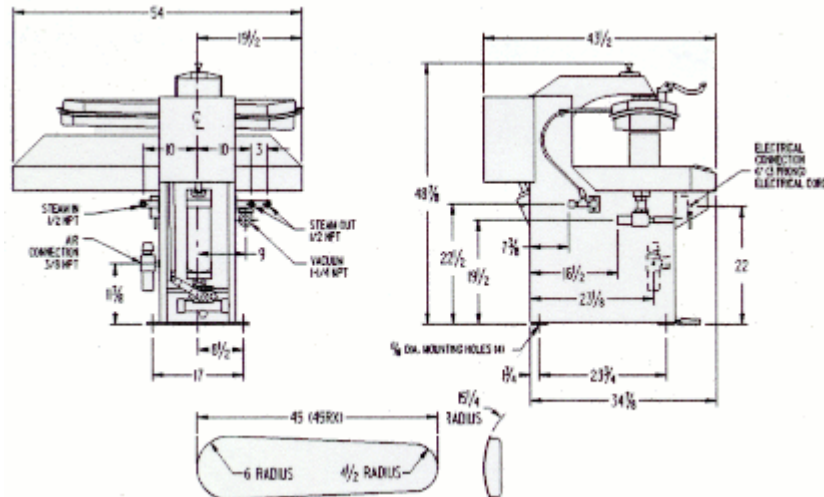

The Unipress 45X is designed with the operator and owner in mind. Operators love the open area around the buck allowing unrestricted movement of garments, which increases production and improves quality. Owners are impressed with the reliability and low capital cost.

Features

- Wide Head Opening
- Finger Tip Pressure Regulator
- Fast Smooth Operation
- Single Cylinder Action
- Minimum of Floor Space
- Heavy Duty Steel Frame Construction
- Microprocessor Controls with Self Diagnostics
