**Model 1654CH**

*Model 30241*

**Product Description**

The Model 1654CH heavy-duty generator is dependable, with enough power to run several tools or appliances. Includes a 10 hp Briggs & Stratton GenPower OHV engine for long engine life, better fuel efficiency and quiet operation. Low oil protection helps prevent engine damage. Includes a fuel gauge to help track fuel levels and a Long distance Runner™ fuel tank which provides up to 13 hours of run time from a 7 gallon tank of fuel.

**Multiple Outlet Options**

- Four 120 volt, 20 ampere standard household outlets.
- One 120/240 volt, 30 ampere locking outlet.
- Circuit breakers protect generator circuits from overload.

**Features, Benefits and Functions**

**5550 Rated Watts Portable Generator**

- 5500 rated watts.
- 8500 surge watts.
- 10 hp Briggs & Stratton GenPower OHV engine.
- Up to 13 hours run time.
- 2-year limited warranty.
- High impact outlet cover protects outlets.
- Power Surge alternator has extra storage wattage for starting multiple motors.
- Super Silencer spark arrest muffler for quiet operation.
- Pneumatic wheels for all terrain mobility.

**Options and Accessories (Included)**

- Wheel kit.
- One locking-type plug.
- Engine oil.
- Owner's manual.

**Model 1894CH**

*Model 1894CH*

**Product Description**

The Model 1894CH heavy-duty generator is dependable enough for home standby power. When it is not in use as backup power, this unit can be used for power tool applications. Includes a 15 hp Briggs & Stratton OHV Engine. Has full pressure lubrication to ensure long engine life. Also, the pressurized low oil shutdown system will shut down the engine if oil pressure drops too low. Electric start engine makes getting back-up power easy and the Ultra-Quiet spark arrest muffler offers quiet operation.

**Multiple Outlet Options**

- Four 120 volt, 20 ampere standard household outlets.
- One 120/240 volt, 30 ampere locking outlet.
- One 12 volt dc outlet for battery charging.
- Circuit breakers protect generator circuits from overload.

**Features, Benefits and Functions**

**7000 Rated Watts Portable Generator**

- 7000 rated watts.
- 12,250 surge watts.
- 15 hp Briggs & Stratton GenPower OHV engine.
- Up to 8 hours run time.
- Pneumatic tires for all-terrain mobility.
- Battery charging capabilities.
- Lo-Tone muffler — keeps noise levels to a minimum.
- Pushbutton electric start.
- PowerSurge™ Alternator has extra storage wattage for starting multiple motors.
- Weather protected control panel.
