E-250GT

The E-250GT personnel carrier combines the stability of 4-wheel vehicles with the maneuverability of 3-wheelers thanks to its exclusive steering design.

At a cruising speed of 10 mph, it transports you and your stock three times as fast as by foot! Save four hours over every eight hours of walking work, and increase your time for value-added service!

Its powerful 6 hp motor excels at trailer towing, hauling 7000 lbs with the 6 mph speed option.

Benefits

SAFETY. Four-wheel stability.

VERSATILITY. Powerful 6 hp motor for trailer towing.

RUGGEDNESS. Automotive ring gear differential, axle shafts on roller bearings.

DEPENDABILITY. Dual self-adjusting drum brakes.

COMFORT. Bucket seat on slide adjusters.

DURABILITY. Bolt-on bumpers and side bars.

BATTERY EFFICIENCY. 24V accessory option to equalize cells, extend battery life.

ROUND-THE-CLOCK OPERATION. Optional lift-out battery box.
