**E-276**

The E-276 burden carrier is engineered for tight industrial settings and jobs requiring a long deck for more cargo space.

Highly maneuverable with a short turning radius, the E-276 can get even closer to work stations to save overall time and efforts.

Its powerful 10 hp motor excels at trailer towing.

A 36-volt battery pack provides 50% more running time.

Safer braking performance comes with dual self-adjusting drum brakes.

#### Benefits

**VERSATILITY.** Powerful 10 hp motor for trailer towing.

**RUGGEDNESS.** Automotive ring gear differential, axle shafts on roller bearings.

**SAFETY.** Dual self-adjusting drum brakes.

**ERGONOMICS.** Bucket seat on slide adjusters.

**COMFORTABLE.** Optional front suspension with dual shock absorbers.

**STABILITY.** Hefty front cowl, 1/4" plate steel, prevents front wheel bouncing.

**DURABILITY.** 14-G diamond-plate steel body.

**BATTERY EFFICIENCY.** Optional DC/DC converter to equalize battery cells.

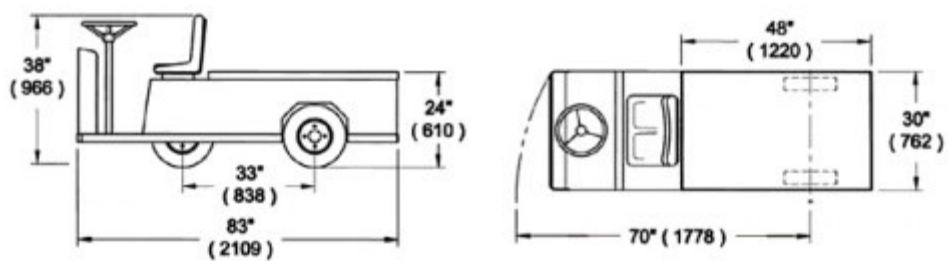

**ROUND-THE-CLOCK OPERATION.** Optional lift-out battery box.

# E-276

## Dimensions

Technical specs	
<b>Type</b>	36-volt Burden Carrier
<b>Capacity</b>	*1,400 lb. (636 kg)
<b>Speed (Max)</b>	6 mph (10 km/h)
<b>Motor</b>	10 hp
<b>Controller</b>	Electronic speed controller
<b>Battery</b>	Six 6V-220AH batteries
<b>Charger</b>	25 amp, built-in automatic
<b>Transmission</b>	Dual V-belt drive
<b>Drive axle</b>	Differential with automotive ring gear
<b>Brakes</b>	Dual self-adjusting mechanical drum brakes on rear, hand lever parking brake.
<b>Steering</b>	Automotive steering wheel
<b>Suspensions</b>	Rigid axles on front and rear
<b>Seats</b>	Bucket seat on slide adjusters
<b>Indicators</b>	Battery status indicator
<b>Safeties</b>	Optional reverse alarm, deadman seat switch
<b>Lights</b>	Headlight, tail/brake light
<b>Accessories</b>	Horn
<b>Wheels</b>	4.8x8 LRC pneumatic tires
<b>Unit Weight</b>	1,050 lb. (477 kg)
<b>Options</b>	Reverse alarm. Front suspension. 36VDC/12VDC converter for accessories. Lift-out battery box. Digital battery status indicator, hour meter. Maintenance meter. Strobe light.
<b>Standard</b>	Conforms to requirements for type E as stated in UL 583 and ANSI B56.8
<b>Notes</b>	*includes 200 lb. per passenger. Specifications and standard equipment are subject to change without notice.
