

Cultural and academic institutions know the importance of peace of mind in creating and maintaining an environment in which to enjoy the arts or learn the classics. That's where Key Systems, Inc. comes in. Our asset management products and solutions are in place in universities, museums, opera houses, concert halls etc. safeguarding students, patrons and property on all seven continents.

# VEL-KEY®

## SECURING AND ORGANIZING KEYS MADE SIMPLE

Vel-Key® tags are durable, two-sided plastic tags designed to bring order to your key population. One side of the tag features a looped-back Velcro® strip that attaches and detaches as needed, the flip side is used for labeling.

### Zipper Case

An elegant solution for organizing and keeping track of your keys while on the go. Don't waste anymore time searching for lost keys. Organize them by name in our light weight, professional-looking carrying case.

### Vel-Key® File

Sturdy plastic panel holds up to 22 Velcro® fastener-backed key or 10 key card tags on horizontal Velcro® strips. They can be stored in filing cabinets, mounted on the wall, or bound in three-ring binders.

### Portable Key Organizer

Vel-key® Files also fit conveniently into Portable Key Organizers. These light weight plastic filing boxes can hold up to 10 Vel-key® files or 220 key tags in hanging folders.

### Key Cassette

Thought you ran out of clever places to store and hide important keys? These durable "faux" video cassette cases are so effective, you too may have trouble locating your keys.

### Wall Cabinets

Sturdy metal cabinets offer a wall-mounted approach for storing up to 528 key tags. Electronic cabinets requiring User Identification for access to Vel-Key® files are also available.

### Key Rack By the Inch

It's key storage anywhere you need it. Each tag is an inch wide and easily fastened in place with Velcro® adhesion-backed strips.

### Pocket Cases

It's a small lightweight Velcro® key case that wraps around to conceal keys and an inside pocket for storing money or credit cards. It fits easily into a shirt pocket or purse.

### Take-A-Part Tags

Two key tags are affixed to one another using Velcro® fasteners. If you have to leave your car key with the garage, just pull it apart from your house key tag and drop it off.
