Remeë Products manufactures a full line of Premise Wire. These constructions offer customers the ability to apply their designs to the many appropriate application within the premise network. The cables are manufactured in accordance with TIA 568 and provide the performances needed for today's high speed networks as well as tomorrow's bandwidth needs. For that reason Remeë provides the ability for it's registered installers to offer an extended "ROSE" warranty up to 25 years.

Category 5E-350

RemPro350 Non-Plenum

Part No.	Description	Standard Colors	P/U
5AE244UTP/350	Category 5E-350MHz 4 pair 24 awg unshielded twisted pairs, w/ PVC jacket CM	Wht, Blue & Gray	Box

Category 5e-100

RemPro100 Plenum

Part No.	Description	Standard Colors	P/U
5BE244UTP	Category 5e-100MHz 4 pair 24 awg unshielded twisted pairs, w/ Regard jacket CMP	Wht, Blue & Gray	Box

Category 5E-350

RemPro350 Plenum

Part No.	Description	Standard Colors	P/U
5BE244UTP/350	Category 5E-350MHz 4 pair 24 awg unshielded twisted pairs, w/ Remgard jacket CMP	Wht, Blue & Gray	Box

Category 6

RemPro1000 Non-Plenum

Part No.	Description	Standard Colors	P/U
6A234UTP	Category 6 4 pair 23 awg unshielded twisted pairs, w/ Spline, PVC jacket CMR	Wht, Blue & Gray	Reel in Box

Category 6

RemPro1000 Plenum

Part No.	Description	Standard Colors	P/U
6B234UTP	Category 6 4 pair 23 awg unshielded twisted pairs, w/ Spline Remgard jacket CMP	Wht, Blue & Gray	Reel in Box

Category 5-350 OSP

RemPro350 OSP w/Poly Jacket

Part No.	Description	Standard Colors	P/U
5AE244UTP350/POLY	Category 5E-350MHz 4 pair 24 awg unshielded twisted pairs, w/ Poly jacket	Black	Reel

Category 5-350 OSP

RemPro 350 OSP Water Block Tape/Poly Jacket

Part No.	Description	Standard Colors	P/U
