

Elevating European design to a new height of performance. A sleek, contemporary look complements today's loudspeakers and provides the quiet, rigid performance demanded by audiophiles and home theater enthusiasts. The cast iron base is engineered for solid support and superior performance. Both premium adjustable floor spikes and custom screw-in rubber feet are included to provide stability and minimize resonance on any floor surface. And the steel top plate features custom speaker isolation pads.

EF28B | WFV66mo (without doors)

« Wire management path conceals and protects wires for a clean look

« Includes adjustable carpet spikes and rubber pads to isolate vibration

« Neoprene speaker pads increase sound quality with acoustic isolation

« EFSat includes multiple top plates to fit most small speakers
