Triple 3-1/3" InvisiVent has the highest ventilation performance of any vinyl soffit available today.

TRIPLE 3-1/3"  
INVISIVENT® AND SOLID S

Siding: Cedar Impressions Double 7"  
Perfection Shingles in buckskin.  
Soffit: Triple 3-1/3" InvisiVent Soffit  
in colonial white.

## Proper Ventilation is Vital

Protection against damage to the roofing materials and structure increase comfort inside the home and energy savings.

### The Air Balance System

Experts agree that the most effective system is a balance of air intake and exhaust that creates a uniform flow of air through the attic.

This system creates a condition in which the roof temperature is equalized from top to bottom, supplying a uniform air flow along the entire underside of the roof deck.

Hidden vents provide a smooth, flat non-perforated surface versus most vented soffits with unsightly perforations.

Triple 3-1/3" InvisiVent

Triple 3-1/3" InvisiVent

Standard vented soffit

Triple 3-1/3" InvisiVent offers at least 50% more ventilation than most standard vinyl soffit, providing more than 10" of net-free intake area.

This means that not only will InvisiVent provide a balanced ventilation system, but will do so with an overhang as short as 10".

## New Triple 3-1/3" Solid, Perfect for Vertical Siding Applications, Too.

Solid Triple 3-1/3" vertical siding panels are the ideal solution for accent areas where a vented panel is not necessary. The flat face design creates a straighter panel with the look of smooth, painted wood. Deep dovetails between panel faces contribute extra rigidity, while forming a clear, sharp edge that is pleasing to the eye. Ideal as an accent or coordinating panel, Solid Triple 3-1/3" is available in the same color palette as Triple 3-1/3" InvisiVent.

## IRONMAX™ DOUBLE 5"

Combines the attractive appeal of wood with the rigidity and durability of premium extra-thick vinyl.

## BEADED TRIPLE 2"

The classic appearance of wainscoting offers the look of fine detailing and craftsmanship.

## UNIVERSAL TRIPLE 4"

Beautifies the overhangs of any home and delivers outstanding performance, quality and durability.

## Beaded Triple 2"

- ◆ Triple 2" wainscot style in solid and invisibly vented.†
- ◆ Designed for vertical siding, porch ceiling and soffit applications.
- ◆ Smooth finished appearance of professionally applied paint.
- ◆ Extra-long slip-lock design helps provide secure installation.
- ◆ 8 low-gloss select colors.
- ◆ .039" thickness.

## Triple 3-1/3"

- ◆ Triple 3-1/3" style in InvisiVent and solid.†
- ◆ Triple 3-1/3" solid for soffit and vertical siding applications.
- ◆ Can be applied 24" on-center.
