

From trend-setting styles and innovative designs to the most popular finishes, Inspirations® by Moen® offers bath accessories to match your personal style – perfectly.

Choose from a large selection of finishes that range from Oil Rubbed Bronze to the ever-popular Chrome and Brushed Nickel and everything in between. In addition to our stylish designs and finishes, we pride ourselves in bringing innovation to your bath. Our Decorative Tank Levers install in minutes with no special tools and are the perfect finishing touch to any bathroom décor. Our Curved Shower Rods feature an elegant curved design that provides more elbow room in the shower. And Pivoting Paper Holders, available in many of our collections, feature a spring-free pivoting arm that lifts up for easy reloading.

Mirrorscapes™ is our new and innovative mirror framing system that transforms your plain, plate-glass mirror into an absolute vision. You can achieve the unmistakable appearance of a stunning custom-made framed mirror in only minutes!

Enhance the personality of your bath with the complete line of decorative bath accessories available from Inspirations® by Moen®.
