

WISE CHOICE

GENUINE ALLISON HD 4000 SERIES RETRAN®
NOW AVAILABLE

You made a wise choice to put the value of an Allison HD 4000 Series in your vehicle. It has served you well, but now it's time for a replacement. Make another wise choice – exchange your old Allison Automatic for a Genuine Allison HD 4000 Series ReTran®.

Allison ReTran® transmissions are built to deliver a longer life span and a higher performance standard, at a consistent lower overall cost. All the reasons you spec'd Allison in the first place.

With our extensive distribution network and easy core exchange policies, your vehicle will get back on the road faster, with true Allison Automatic performance.

DON'T REBUILD. DON'T REMAN. SPECIFY GENUINE ALLISON RETRAN®
