

the pro+fit™ installation system

The Pro+Fit™ System eliminates set-screws for faster, more durable mounting. There's even a template with a built-in level.

Moen's patented 3-step Pro+Fit™ installation system is the most innovative, simple way to mount bath accessories. Pro+Fit™ reduces installation time to one-third that of standard bath accessories. Installation is as easy as 1-2-3.

1. **Drill It:** Use the installation mounting template with built-in level.
2. **Screw It:** Screw in the pre-attached fastener.
3. **Click It:** Press on the post until it locks into place.

It really is that simple! Plus, we've eliminated the set screw.

Designed with input from professional installers, the Pro+Fit™ Installation System was made for faster installation and fewer call backs. And of course, there's the extra assurance of quality that comes with the Moen brand.

Available on Brantford™, Eva™, Icon™ and Mason® collections by Moen®.

Pro+Fit™
Install Template

DRILL IT!

The innovative template has a built-in level for accurate drilling of pilot holes for both 18" and 24" towel bars or paper holders.

SCREW IT!

Single screw mounting system uses pre-attached hollow wall anchor for a fast solid installation.

CLICK IT!

Locking tab clicks to hold the post firmly in place and eliminates the need for a set screw.
