

FIG. 109

ANCHOR CLAMP

Size Range: 1/4" through 8" pipe or tube diameter.

Material: Carbon steel; 304 or 316 stainless steel.

Finish: Plain carbon; electro-zinc plated carbon; 304 or 316 stainless mill finish; 304 or 316 electro polished.

Block Inserts: Polypropylene (color black) up to 212° F.
Santoprene (color tan) up to 302° F.
Aluminum (color silver) up to 700° F.

Service: To be used as a pipe or tube anchor where tube pipe is to remain STATIONARY. The "O" dimension between block inserts allow clamp to act as an anchor.

Ordering: Specify figure number, name, tube or pipe size, hardware material, finish and block insert material.
