Simple baling of big volumes

Orwak 3410 offers high capacity and simple handling to the highest operator safety. It is suitable for customers such as large industries and supermarkets with big amounts of packaging materials.

Generous loading aperture

- operator friendly.

Silent operation contributes to a better working environment

Due to a new type of hydraulics, Orwak has introduced "the silent family" - a line of balers with low sound emission. A silent operating machine contributes to improving the working environment for the employees. Orwak 3410 has a noise level of only 59.5 dB!

Switch between LP and HP

Compacting cardboard or plastic foil?

A switch conveniently located on the side of the machine makes it simple to alter the setting from High Pressure for cardboard to Low Pressure for plastic foil.
