A tough baler that doesn't have to be hidden away

The Orwak 3300 is the result of over 30 years of experience in the market. Safe and reliable for the operator. Fast and powerful for efficient operation. Easy to handle.

Different types of materials, such as paper or plastics, are easily loaded and compacted.

Control panel with digital display for user-friendliness and ease of operation

Low height means easy installation, no need for reassembly. Same dimensions on delivery as for installation and operation. Flexibility means easy to relocate using a pallet truck, today or in 10 years time. No access to moving parts during operation. Reliable two-stage door opening system. Requires little floor space.
