Working pressure:	110 bar
Relief pressure:	140 bar
Press force:	3 ton, 30 kN
Piston stroke:	790 mm

l400L

All dimensions and data are for one baling chamber and one bin chamber. For other combinations contact Orwak.

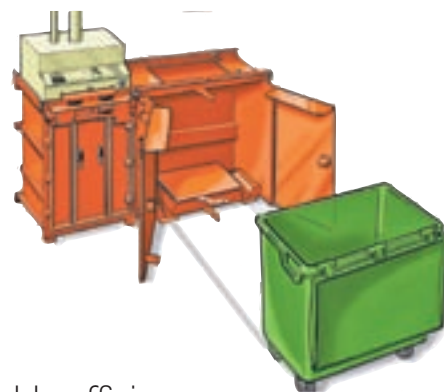

# Double efficiency baler – compactor in the same machine

The combined bin compactor and baler. Compacting into standard four wheeled plastic bins from 400 up to 660 litres. Takes care of both dry and semi-wet waste as well as baling cardboard boxes, paper, plastics and packaging – all in one machine. Simple and easy to operate. The press head is easily manoeuvred into position over each bin.

## Bale trolley

Bales are easy to handle thanks to Orwak's ergonomically designed bale trolley which is always supplied with the machine.

## Double efficiency

With the Orwak 5070-Combi you can turn all kinds of waste into easily handled volumes in bales or bins. An extendable system with an easily manoeuvred press head that serves several chambers.
