Recycling Trailer

Increase Collection Capabilities With Mobile Multi-Purpose Recycling.

High Profile Aesthetics & Visibility

Small footprint makes efficient use of space at high profile locations.

Custom openings ensure the cleanest material streams.

Collection vehicles with an onboard **pressure washer** keeps containers sanitized & odorless.

Equipped with **gooseneck or pintle hitch** for maximum mobility.

Lid water seal keeps moisture out to maintain quality.

16 cu yds (12.2 cu m) with 3 to 6 compartments to maximize collectable streams.

Galvanized steel construction and a DuPont powder paint finish.

Trailer mounted spare

16,000 lbs (7,300Kg) tandem axle with electric brake.

Full-length fold down user step with safety grating.

Optional:
12v electric hydraulic kit for dumping

Clean & Efficient Collection

Unique "No-Touch-to-Dump"TM method maintains container aesthetics.

Seamlessly integrates with Haul-All vehicles & depots to maximize program awareness and mobility.

Transfers material into MRF drop off bins for ease of operation and greater convenience.
