Ergonomically designed to improve blood circulation and reduce fatigue, Lyon WORKFLOR™ Mats deliver comfortable, slip-resistant footing for workers on assembly lines, in warehouse packaging and shipping areas, at checkout counters, service counters, work stations and other locations where workers cannot perform efficiently while seated.

### Technical/Ergonomic Features

- Recommended for dry-floor applications each WORKFLOR™ Mat features 5/8" thick polyurethane construction – chlorofluorocarbon free.
- Outside edges have 3/4" bevel to deter tripping.
- Lyon logo quickly identifies the easy-to-clean topside on each mat.
- Choose from six popular sizes.

*Custom sizes also available!*
