

Sky-Wal II™ Components ...

Most of these components are included in one or more of the pre-engineered Sky-Wal II™ selections featured on the preceding pages. To design your own Sky-Wal II™ ergonomic backwall for a new or existing Lyon workbench, order parts separately.

Note: Sky-Wal II™ components are not compatible with Slide Bolt Leg Benches or Ergo-Bench® Work Stations.

Upright Frame Assembly

Attach to Lyon adjustable leg and flared leg workbenches to accommodate Sky-Wal II™ components. All hardware included.
