- Quiet door operation reduces clanging and provides smoother opening and closing.
- Louvreless doors block out accumulations of dust and other air-borne particles.
- Compact, full loop hinges afford added strength and positive alignment.
- Shipped K.D. (knocked down).

Single tier lockers are widely used to hang full length garments and provide shelf space for personal effects. Double tier lockers offer an alternative for facilities with limited floor space or where shorter garments are commonly in use. Six tier box lockers furnish storage space for folded garments, personal belongings in minimal floor space.

### Optional Accessories

#### Sloping Top Kits

prevent accumulations of dirt and debris on tops of lockers. Slant offers easy access for dusting.
