

Self-closing cover reduces oxygen source to prevent fire from starting.

Carry handle for portability.

Durable powder paint finish for long life.

Reinforcing ribs protect sides from dents and abuse.

Rugged, lead-free galvanized steel body.

100% leak-tested

Bright red (or optional yellow) warning color or deluxe stainless steel color.

Trilingual safety label reduces miscommunication.

Round construction and raised, flow-through base dissipates heat.

One-piece cover facilitates use of disposal collection bags.

Dispose of oil-soaked rags and protect your facility from fires that can start due to:

- · Spontaneous combustion
- Sparks
- Careless use of smoking material

OSHA Compliant Oily Waste Cans are essential whenever solvent soaked cloths and wiping rags are used. Rags and cloths soaked with solvents, thinners, linseed oil, combustible adhesives and other flammable liquids present a serious fire risk when improperly discarded. The specially designed lid opens no more than 60 degrees and stays closed when not in use, isolating contents from fire sources and limiting oxygen so spontaneous combustion risk is virtually eliminated. Round construction and elevated bottom encourage circulation of air around can to disperse heat and reduce moisture buildup and rusting. The new SoundGard™ lid incorporates a specially designed, sound muffling pad to significantly reduce lid closure noise while maintaining its FM approved function. SoundGard™ is ideal in settings where it's desirable to lessen disruptive noise such as laboratories or small process areas with complex workbench operations.

Popular foot-operated models leave hands free. Cover drops

shut when pedal is released.

A variety of sizes accommodate your specific need. Choose either red, yellow or stainless silver when color identification is desired to help segregate materials or to differentiate department location sites. All feature galvanized steel body construction finished in a durable powder paint. Most sizes are also offered with a hand-operated cover if preferred.
