Modular Drawers in Shelving – Small Parts & Bulk Storage In One Unit!

Lyon Platinum Series modular drawers combined with Lyon 8000 Series shelving sections offer the perfect solution for storing small parts and bulky items in self-contained configurations.

- Drawers easily compartmentalized with partitions and dividers (see pages 56-57, 62). Lyon high capacity shelves are adjustable on 1½" centers.
- All drawers feature payload capacity of 400 lbs. per drawer, extend for full visual and physical access.

DRAWER NUMBER	USABLE HEIGHT
#40	2¼"
#50	3"
#60	3¾"
#70	4½"
#80	5¼"
#90	6¼"
#100	7"
#110	7¾"
#120	8½"
#130	9¼"
#140	10"
#150	10¾"
#160	11½"
#170	12¼"
#180	13¼"

Choose Pre-Engineered Units for Typical Applications

- Pre-engineered stand alone starter units or assemble in rows with add-on units.
- Add partitions and dividers to increase storage density within each drawer.
