Model 4110ADA shown with 5452LF Pantry Faucet and 5054LF Bubbler

## SPECIFICATIONS

Model 4110ADA barrier-free deck mounted sink shall include a white acid-resistant enameled iron 24" x 16" x 5" deep basin, barrier-free capabilities when installation guidelines are followed, two cross-slotted holes to accept faucets, and a stainless steel mounting rim.

## APPLICATIONS

Perfect for either public or private indoor settings, the 4110ADA is a great fit in areas where a countertop is the best fit for a drinking faucet/sink mount. Specifically, this type of deck mounted sink may be placed in settings such as: schools classrooms, laboratories, and other facilities where the need for a deck mounted sink/fountain is present. Dual purpose abilities allow the unit to provide multiple functions in one area and not take up excess space.

Model meets all current Federal Regulations for the disabled including those in the Americans with Disabilities Act. Haws manufactures drinking fountains, electric water coolers and electric drinking fountains to be lead-free by all known definitions including ANSI/NSF Standard 61, Section 9, California Proposition 65, and the Federal Safe Drinking Water Act.
