

Pre-Engineered 84" High Rivet Rack

- Highly versatile, easy-to-assemble Rivet Rack offers economical bulk storage for a myriad of applications.
- Easy assembly.
- Beams simply drop into slots on uprights to create a sturdy, rigid structure.
- Use for merchandise displays, storing packaged goods, or holding large cartons of equipment and supplies in commercial, industrial or institutional facilities.
- Starter uprights are 14-ga. angle posts for use as stand alone sections or at the ends of two or more sections.
- Add-on uprights are 14-ga. T-posts for use as intermediate posts in multiple section rows.

This standard wire decking is manufactured with 4-Ga. wire 2" x 4" mesh. It meets fire code standards and features easy drop in installation, improved inventory visibility, enhanced sprinkler system effectiveness and durable baked on enamel finish.

Not recommended for single rivet beam applications.

Particle Board Decking

Our versatile particle board decking is 5/8" thick and pre-cut to size for use with Lyon rivet rack. For general purpose and record storage applications.
