## NITRI-KNIT SUPPORTED NITRILE GLOVES

High nitrile content offers superior resistance to cuts, snags, abrasions and punctures. Outperforms supported natural rubber, neoprene and vinyl gloves when exposed to solvents, caustics and animal fats. Interlock knit liner gives gloves added strength for resistance to cuts, snags, abrasions and punctures while adding comfort for the wearer. Unique texture finish provides excellent grip on oily, wet or dry objects. Complies with USDA and FDA regulations, 21 CFR, for use in food processing. Gloves will not swell, sag or weaken from fat absorption. Available in sizes 7, 8, 9, 10, 11.

| PART #       | DESCRIPTION  |
|--------------|--|
| <b>NK803</b> | 100% nitrile, blue, 12" length, interlock liner, 12 dozen pair per case  |

| 2540FWG | Summer Spitfire, 12" gauntlet, hi-viz orange, 72 pair per case. |

## NITRI-KOTE® NITRILE FULLY COATED GLOVES

Unique nitrile coating allows gloves to be fully coated for long wear, yet is breathable. Blended cotton/polyester string knit shell reduces shrinkage when recycled. Ambidextrous design can be worn on either hand. Longer wear because of the four wearing surfaces. No need to sort after laundering. Seamless construction provides superior comfort and lessens hand fatigue. Available in men's (M and XL), women's (S) and cadet sizes (XS).

| PART #         | DESCRIPTION                                  |
|----------------|--|
| <b>78/1142</b> | Fully nitrile coated, 12 dozen pair per case |

SIZES WOMEN'S SMALL AND MEN'S MEDIUM ARE FASTEST TURNING ON THE ABOVE GLOVE STYLE.

## DURO TASK SUPPORTED NATURAL RUBBER GLOVES

Rubber coating is an economical alternative to nitrile coated gloves. Unique textured finish provides a sure grip. Gloves are coated on the fingertips and thumb crotch which minimizes wear on high stress areas. Available in sizes 7S, 8M, 9L, 10XL and 11XXL.

| PART # | DESCRIPTION   |
|--------|---|
| NF14   | Natural rubber palm coated, knitwrist, 12 dozen pair per case |

CAUTION: THIS PRODUCT CONTAINS NATURAL RUBBER LATEX PROTEINS WHICH MAY CAUSE ALLERGIC REACTIONS IN SOME INDIVIDUALS.

## WORKNIT® HD SUPPORTED NITRILE GLOVES

Nitrile coating withstands abrasion better than most leather palm gloves, yet is flexible. Heavy-weight cotton lining gives workers superior cushioning for tough jobs. Absorbs perspiration for greater comfort. Gunn cut, wing thumb style lasts longer by keeping the seams out of wearer area. Offers the wearer greater comfort than other styles. Dry grip provides excellent non-slip grip for safer handling. Men's sizes available in M, L and XL.

| PART #         | DESCRIPTION  |
|----------------|--|
| 85/3719        | Slip on with black stripe back, women's, 6 dozen pair per case |
| <b>85/3729</b> | Slip on with black stripe back, men's, 6 dozen pair per case   |
