

Respiratory Protection

EMERGENCY ESCAPE RESPIRATORS

When you need to escape fast, depend on North to provide you dependable, easy to use escape respirators. The North Emergency mouthpiece respirator is an air-purifying respirator ideal for escape from environments that are not immediately dangerous to life or health (IDLH). The North 5 and 10 minute EEBA provide maximum protection. The high visibility carry bag features pictogram instructions and carry strap for ease of use. See page 14 for information on the North ER2000CBRN escape hood.
