features

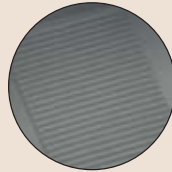

Corner ribs prevent jamming when nested

Rolled rim for added strength and durability

Dovetailed design securely locks dividers in, maintaining bin shape under heavy loads

Molded-in V-grooves on the VantageBin create non-slip surface on inside bottom

VantageBin™

- Molded-in V-groove bottom keeps items upright and prevents them from sliding without dividers
- Bins nest when empty to conserve storage space
- Durable, injection-molded polypropylene construction
- Quick, easy access and identification when organizing envelopes, bags, jewel cases, photographs and more
- Ideal for retail and material handling as well as home and office storage applications
- Available in three colors: White, Gray and Yellow
