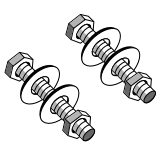
FENCE & POST MOUNTING HARDWARE

U-Channel Posts

Sturdy U-Channel Posts for use with .063 and .080 aluminum signs. These 2 lb. steel posts have 3/8" diameter holes on center for sign mounting. Green color only.

Cat. #	Size
UPST-6	6 ft.
UPST-8	8 ft.

U-Channel Post Hardware



UPST-KIT

Hardware kit for mounting signs on U-Channel Posts includes two 2" bolts, 4 nuts and 4 flat washers.

SignGrabber® Fence & Post Mounting Hardware

NEW

Finally! – sign-mounting hardware that makes it easy to attach signs and banners to chain link fences and U-channel posts. With the new, patent-pending hardware designed by SignGrabber®, your signage will be safer and more secure. Sturdy metal anchors fit snugly to fences or posts, preventing movement from wind, child tampering, or vandalism. One-way security bolts have a specially designed head that makes installation easy, but removal nearly impossible for vandals. Recessed nut retaining system mounts flush for added safety, especially in high-traffic areas.

SG-P

Cast alloy unit attaches to **U-Channel Posts** and other formed metal poles that have regular spaced holes. Rust-proof.

SG-2S (for signs) **SG-2B** (for banners)

Cast metal unit fits any standard 2” **Chain Link Fence.** 3-way adjustable slotted design allows for perfect alignment. SG-2B has added disk for banner mounting.

SG-1

Fits the diamond shape of standard 1.25” **Fabric Chain Link Fences** often used for pool enclosures and other secured areas.
