

Milwaukee Strap Hose Pack

This highly durable hose pack constructed of heavy 22 oz. reinforced vinyl with double thickness side, bottom and ends keeps your hose in an attack-ready condition. This pack has a center handle for a one person carry and two end handles for a one person shoulder strap. Three Velcro® straps secure the contents and the pack holds up to 150' of 1½" hose. There are 3 brass grommet drain holes to allow for wet hose to be packed. One end opens so hose may be pulled out for an easy hose lay. *Dimensions: 50"Lx8"Wx9"H. Ship. wt. 4 lbs.*

Hose not included

BE024 Milwaukee Strap Hose Pack \$130.95

Milwaukee Strap Hose and Accessory Bag

Constructed with firefighters in mind. Made of durable 22 oz. reinforced vinyl. Double thickness in side, bottom and ends. Easily carried by a 2" nylon webbing handle. For on scene visibility there is 2" reflective side trim. This bag can hold 75' of 1½" or 1¾" hose and accessories which makes it ideal for standpipe connections and hose operations as a tool bag. A brass grommet allows water drainage and a Velcro® strap secures the contents. Loops on each end for optional shoulder strap. *Dimensions: 17"Lx10"Wx 12"H. Ship. wt. 2 lbs.*

Jackstrap Hose Strap

Be Safer and Secure

Safety is your number one responsibility. How secure is your equipment when the apparatus is in motion? A loose length of hose on a busy street or highway has the potential to cause serious damage. The Jackstrap will give you the peace of mind that the hose end is properly fastened. A must for every fire truck.

- ▶ Heavy-duty 2" polypropylene strap
- ▶ Adjustable hose loop helps secure hose to apparatus
- ▶ Adjustable hydrant loop helps with hose stretch
- ▶ Handy carry pocket holds hydrant tool
- ▶ Adjustable shoulder loop helps control nozzle

Jackstrap shown with a carabiner securing hose on back of truck. Carabiner not included.
