

## Super Pass II™ - Meets NFPA With Accountability Storage Key

- A Alarm Button
- B Reset Buttons
- C Grip Clip
- D LEDs
- E Sound Ports
- F Accountability Key
- G Translucent Case

An invaluable tool for recognizing downed firefighters. Features "Auto On" that provides you with the assurance that your PASS device is turned on automatically when accountability key is removed, activating device into the "Sensing" mode. When there is a lack of motion for approximately 18-23 seconds, the Super Pass activates into "Pre-Alarm" mode accompanied by sweeping audio signal and pulsing LED display. After approximately 30-35 seconds of lack of motion the unit will go into "Full Alarm" mode with a loud alarm signal varying in pitch and constant rapid pulsing LED display. Other Features: When in the "Sensing" mode the Super Pass can be put into "Alarm" mode any time by pressing the "Alarm" button. To turn the unit off simply replace the accountability key or press the reset buttons simultaneously. The unique Accountability Storage Key snaps onto the Super Pass and features a clear identification window which can be used to personalize the keys with photos, names, numbers, bar codes, etc. Case is made of rugged, high-temperature, impact-resistant and translucent polycarbonate plastic that glows when LEDs are activated. Uses 9v alkaline battery. *Ship. wt. 1 lb.*

PASS devices are NFPA mandated

- ▶ Auto on
- ▶ Accountability
- ▶ Grip clip
- ▶ Rugged construction
- ▶ Lack of motion and temperature sensing

AM051	Super Pass II, Lack of Motion	\$258.95
AM052	Super Pass II, Lack of Motion Plus Temperature Sensing	\$277.95

## Darley Air Mask Pak

Air Mask Paks protect expensive SCBA masks from damage due to casual storage, and meet OSHA guidelines for personalized equipment. Darley Mask Paks are mildew-resistant, which is a big plus when storing a wet mask. And all Air Mask Paks are made from 1000 Denier Cordura nylon, to withstand heavy use. Comes with a side-release metal snap hook and reflective tape. *Ship wt. 1 lb.*

AZ106	Darley Air Mask Pak	\$24.95
-------	---------------------	---------

## Air Mask Bag

This 400 denier nylon SCBA mask bag is lined with soft flannel fabric to prevent scratches to the face piece. Velcro® closure, D-ring for hanging and an ID window. It fits all current SCBA masks. Measures 14"Hx6"D. *Ship. wt. 1 lb.*

**DON'T MISS**  
More bags in Turnout (p66 - 90)

**Color: Red**

AW107	Air Mask Bag	\$12.95
-------	--------------	---------

## SCBA Air Mask Bag

Made from heavy Cordura® nylon. Bottom opening style holds your air mask while leaving it attached to the regulator. Hangs by a spring snap. Top opening style has a hook/loop closure flap with four brass grommets for mounting. *Ship. wt. 1 lb.*

## SCBA Mask Bags

Built for rugged use and maximum protection, these yellow SCBA bags are constructed of heavy-duty vinyl with Velcro® closures and overlapping side panels. Large pull tabs allow for fast removal of masks.

**Specify color: Red or Yellow**
