## D. Combat Ready Hose

This hose is designed specifically for aggressive interior fire attack operations. The outer jacket is woven from staple polyester yarns over an inner liner consisting of a one-piece extruded through-the-weave tube. Combat Ready is manufactured in a high-visibility white with one red and one blue stripe running the length of the hose. This heat-resistant, drag-resistant and kink-resistant hose has superior friction loss characteristics. Ship. wt. 18-26 lbs.

- ▶ Abrasion-resistant
- ▶ High visibility
- ▶ 10-year warranty
- ▶ Low friction loss
