

A. Hydrant Wrenches

T240 - Adjusts to pentagon nuts from 1 1/4" to 1 3/4" or square nuts to 1 1/4". Replaceable brass insert protects hydrant nut. Also fits 2 1/2" to 4 1/2" couplings.

E119 - Malleable iron, cadmium plated hydrant wrench adjusts to pentagon nuts from 1 1/4" to 1 3/4" or square nuts to 1 1/4". Fits couplings from 1 1/2" to 6".

C285 - Zinc plated ductile iron head and 7/8" steel handle. Opening accepts any pentagon nut up to 1 3/4" or 1 1/4" square nut. Fits 2 1/2" pin or rocker lug. *Ship. wt. 5 lbs.*

T240	Hydrant Wrench	\$64.95
E119	Hydrant Wrench	\$27.95
C285	Hydrant Wrench	\$21.95

B. Pentagon Ratchet Hydrant Wrenches

- ▶ Unique bolt-thru design
- ▶ Opens and closes any hydrant in only a 22 1/2" swing
- ▶ Sockets adjust by thumb screw
- ▶ Socket has 9/16" square opening on back side of socket head
- ▶ Length: 21 1/8"
- ▶ *Ship. wt. 7 lbs.*

Specify Pentagon Socket Size: 1 1/2", 1 3/4", 2"

J796	Pentagon Ratchet Hydrant Wrench, 16 1/8"	\$200.95
J797	Pentagon Ratchet Hydrant Wrench, 21 1/8"	\$232.95

C. The Only Hydrant Wrench You'll Ever Need

Invented by a firefighter. There's no adjusting with screws and ratchets that can slip and damage hydrant stems. It will actually turn many stems that are too badly worn for conventional wrenches. Just put the opening in the wrench head over the stem and pull the handle; the harder you pull the tighter the head grips without slipping off. To release just let loose and lift it off the stem. Conveniently placed on the handle is a spanner wrench to handle 2 1/2" couplings and larger. Will work on most square and pentagon stems. *Ship. wt. 4 lbs.*

AM09501	Hydrant Wrench up to 1" Stem	\$83.95
AM09502	Hydrant Wrench up to 1 1/2" Stem	\$83.95

D. Hydrant Wrench Hand Tool

This wrench is stronger than most wrenches that are many times heavier because it's made from aerospace alloy aluminum. This means it's ultra-light (less than 2 lbs.) and super strong, so you can really lean into the wrench. Plus, it's non-sparking, so it's safe to use in hazardous situations. This unique wrench is designed to meet a wide range of firefighter's needs including a built-in gas cock shut-off. Fits nearly all standard hydrant nuts. Spanner feature fits up to 6" hose, including Angus and Storz, pin and rocker lugs. Bright red "Sure Grip" handle provides a durable, non-slip surface that won't get away from you. *Ship. wt. 2 lbs.*

- ▶ Sure-grip handle
- ▶ Ergonomic Design
- ▶ Less Stress
- ▶ Non-Sparking
- ▶ Lightweight
- ▶ Super Strong

AJ282	Hydrant Wrench Hand Tool	\$89.95
